

# Corporate Care

Following consultation with the B2B dealer channel, we have developed what we consider to be the most comprehensive and wide reaching insurance product for B2B dealers and their customers – **Corporate Care**.

## **Valuable Extra Revenue**

As with all insurance schemes, Corporate Care is an excellent way of generating extra revenue through the value add of a quality product.

## **Close That Deal!**

In true Citymain tradition, ensuring our clients have total flexibility over how they include *Corporate Care* into their mobile phone deals has been top priority. It goes without saying that the more handsets covered, the better the deal available to your customers. *Corporate Care* can even be offered free of charge to close that important deal.

## **Your Reputation**

You can be totally confident that Citymain's *Corporate Care* policies will deliver unrivalled cover to your customers, enhancing the service levels you offer and ensuring your company's valuable reputation is maintained.

*In addition to cover for Theft, Loss, Accidental Damage and Mechanical Breakdown, Corporate Care also provides:*
