Insurance for the modern age

21 July 2009 – London
Press release – immediate

New City office for Citymain

Citymain, provider and Third Party Administrator of specialist insurance solutions, is pleased to announce the opening of its new City based office.

Paul Kelsey, Citymain's Managing Director, said "Our new office is located in the Lloyd's building and provides Citymain with a City based presence which is becoming of increasing importance as our company continues to expand and diversify.

The office opens for business on the 1st of August and will handle sales and marketing operations.

Notes for Editor.

Citymain – Who are we?

[Citymain](#) has been designing and administering innovative white-label insurance solutions since 1985. Subsequent years have seen Citymain grow into an industry leader in its sector, providing revenue generating schemes to numerous companies, across a variety of industries.

Today, we're proud to look after the insurance needs of over 500,000 customers across more than 100 bespoke insurance programmes. Our sales and marketing teams work closely with you to fully understand your company's objectives and to ensure the results you require are reached successfully. To support our sales and marketing functions, our in-house compliance and claims administration departments ensure the FSA's Treating The Customer Fairly philosophy is upheld and that the highest level of customer service is implemented.

At Citymain, we partner with a variety of different markets, selecting the best possible specialist underwriting expertise to maximise the return from your insurance programmes. The accumulation of the above provides a minimum standard whereby all our insurance programmes are well balanced and self sufficient.
