Data Select signs Citymain deal

Paul Kelsey

Tuesday 13 November 2007

Data Select has signed a deal with insurance firm Citymain that will enable it offer insurance with its products.

The agreement will make Data Select an Introducer Appointed Representative in line with FSA legislation, meaning that it can offer clients Citymain's full range of bespoke insurance solutions.

Citymain managing director Paul Kelsey said: "This is a very exciting opportunity. Data Select's partners require bespoke insurance offerings to cover both mobile phones and other gadgets to differentiate their overall product offerings. As an IAR, Data Select can now introduce our full range of insurance solutions in a compliant manner to drive incremental revenue".
